State Insurance Fund

Dear Sir:

RE: BURNT FORK ADJ.

Enclosed herewith you will find U. S. Postal Money Order--Serial No. 2481 in the sum of \$75.32, covering payment of premium for insurance on FERA Project S-F2-133, Interstate Adjudication of Water Rights, Policy No. S-490. This insurance premium is advanced by Mr. Henry Heiner, Burnt Fork, Wyoming, as president of the Henrys Fork Water Association.

FERA Project S-F2-133 was approved by the Utah Committee on condition that the State of Wyoming set up and have approved a like and similar project, which has not to date been done, and there is no assurance that Wyoming will meet this condition. Because of these circumstances this premium is being paid with the understanding that the money will be refunded in case the funds set aside for the project are not spent.

Yours very truly,

T. H. Humpherys,  
STATE ENGINEER.
